*Creature Creations*  
Saturday, February 17  
*Monster Maps*  
Saturday, February 24  
*Cloud Castles*

“What would a cloud factory look like? What do Giant Robots dream about? What kind of car would a wizard drive to work? Could you draw a treasure map of your imagination?” The Smiling Minds Magazine Workshop is a collaboration between artists of all ages! We’ll incorporate poetry, paper collage, cartooning, scribbling, storytelling, inventing, mapmaking, fashion design, architecture, painting...your imagination is the limit! Through a series of specially designed cooperative “art games,” children will be encouraged not only to express themselves confidently but to appreciate the creativity of others. Cost includes full color magazine showcasing the work of all participants. Space is Limited Register now!
